

Welcome to the Takinishi English Homepage! My name is Caroline Noel. I'm from the state of North Carolina in America (Simply put, I'm CN from NC). North Carolina is a beautiful place with both mountains and beaches. We experience all four seasons. Plus we have amazing Southern food (BBQ, biscuits & gravy, collards).

This is my 3rd school year at Takinishi High School. In 2013 I moved to Takikawa and have been the ALT here since. Takinishi has been a great school to work at with many wonderful students.

When I am not teaching, I like to play guitar and sing. When I want to exercise, I love to go rock climbing, hiking, or cycling. Hokkaido makes it very easy to for me to pursue a love of the outdoors. I'm also interested in movies, history, video games, music, and photography. If you ever want to watch English movies, please ask me for recommendations.

My favorite thing about being in Hokkaido is exploring all the great places for local food. And finding all the interesting and unique festivals around the prefecture. Nice to meet you and see you around.
